One Life to Give by Author Rick Blaisdell Goes on the Road Again!

Chester, VT--Vermont Pastor/Author Rick Blaisdell's new book, *One Life to Give-Living Water for Thirsty Souls*, continues to make its presence known in the world of Christian non-fiction.

Following its' display at the **International Christian Retail Show** in Orlando, FL from June 28-July 1, 2015, (one of the largest exhibitions of Christian books, with attendees and buyers from more than 50 countries participating), *One Life to Give* will finish its summer tour in Nashville, TN. This book will be featured at the **Fall Christian Product Expo** on Sept. 21st -23rd, 2015, just in time for the Christmas buying season.

"...This book will move one beyond complacency into the supernatural workings of a "supernatural" God. With true-life testimonies that came from the real moments, the author engages readers to consider that you being only one person CAN MAKE A DIFFERENCE. This is why he wrote the book. His testimony bears the witness of a chosen vessel moved by God beyond his own borders to share the love and compassion of Christ around the Globe. Readers will be inspired by the many supernatural and mighty works of God displayed throughout, as this book ignites a passion for the Gospel to be preached around the world..." (CBM)

In only six months from its release date on January 21st, 2015, *One Life to Give* has rapidly spread across America. Foreign bookstores in much of Europe, Australia, Japan, China, and India already have it listed as well.

Its history includes two Christian radio station interviews; the first in March with Vermont's own **The Light Radio Network**, followed by Upstate New York's **ALIVE Radio Network** in April. Soon after, in early May, Blaisdell participated in a nationwide Independent Bookstore Day celebration in his hometown bookstore, **Misty Valley Books**. In late May, *One Life to Give* was on display at the **Book Expo America Trade Show** in NYC. In June, the author co-hosted a **Writers Seminar** where his book was included with the Seminar Resources.

On October 14-18, this very uniquely written autobiography goes international with its appearance at **the Frankfurt International Book Fair in Frankfurt, Germany!**
