One Life to Give by Author Rick Blaisdell on Display at International Christian Retail Show

Chester, VT--Vermont Pastor/Author Rick Blaisdell's new book, *One Life to Give-Living Water for Thirsty Souls*, will be on display at the **International Christian Retail Show** in Orlando, FL from June 28-July 1, 2015. This event is one of the largest exhibitions of Christian books, with attendees and buyers from more than 50 countries participating.

This book which testifies of a God-changed life through the New Birth is making itself known in the world of Christian non-fiction. The autobiography begins as Rick journals his life before salvation and the miraculous deliverance from drugs, alcohol, bitterness, and unforgiveness. The book then carries the reader into a series of 15 short-term gospel mission trips into seven foreign nations over the course of the next 21 years.

Since its release by Christian Publisher Xulon Press on Jan. 21, 2015, this uniquely written book has been the topic of two Christian radio station interviews, one in Vermont, and the other in New York. A book-signing event soon followed in his hometown bookstore as part of an "Independent Book Store" celebration in Vermont.

One Life to Give was also one of the featured new book releases at the prestigious **Book Expo America Trade Show** in New York City on May 27-29.

On June 13, back in Vermont, the author co-hosted a **Christian Writers Seminar** in Vermont's capital city of Montpelier, with his first radio interviewer, where the two of them spent the day teaching other writers the process of writing, publishing, and promotion of their own works.

Retailers may order *One Life to Give* (\$29.99, paperback, 9781498423816, \$9.99, e-book, 9781498423823) through **Ingram Book Company and/or Spring Arbor Book Distributors**. The book is available online through onelifetogivebook.com, xulonpress.com bookstore, amazon.com, and barnesandnoble.com.
